

# FRANCHISE OPPORTUNITY AWARD WINNING Professional Moving Company

North American industry leading professional moving company is expanding in British Columbia and Alberta.

In an industry with few established leaders, this award winning company stands out with a model that delivers exceptional customer service and owner profitability via:

- Proven process driven customer service excellence
- Leading edge technology in all areas of the business
- Comprehensive training and franchisee support
- Superior ongoing marketing and sales support

Above Average Earnings and Return on Investment possible with this simple business model that appears to work equally well in or out of recessions. Demand for movers is expected grow from both the aging population and overall population growth. Approximately 15% of Canadians move each year and the majority of moves are intra city/regional moves.

The ideal purchaser has attributes and skills that include:

- Strong interpersonal skills
- Business & management acumen
- Enjoys selling, marketing and promoting
- Passionate about customer service

The primary financial criteria to become a franchisee are:

- Minimum net worth of \$500,000
- Initial investment, including franchise fees and working capital is in the range of \$175,000 to \$325,000.

For optimum results, Franchisees spend their time working on the business and not in it – certainly not operating trucks and not doing the hands-on work of loading and unloading!

This franchisor has had remarkable success with franchisees from highly diverse backgrounds and some of their most successful franchisees are women.
